PORR

Challenging demolition job in the middle of the city.

To ensure swift removal, the steel structures needed to be cut down to transportable sizes on site, loaded and transported off in containers. The materials were all demolished and disposed off in full accordance with the current waste industry code.

Impressions

Image notes

1

Post am Rochus.

The Austrian Post will move into its new headquarters in late 2017.

2

Post am Rochus.

Demolishing a building in the middle of a busy inner-city district is always a big challenge.
